What are Qualifying Tribal Lands?

Your School's Location helps to determine whether your address is on Tribal lands. For informational purposes, a [nationwide map](#) is available showing Tribal lands eligible for support. The ACP uses the same definition for Tribal lands as the FCC's Lifeline program (as defined in 47 CFR §54.400 (e)). Tribal lands shown on the nationwide map include:

- Any federally recognized Indian tribe's reservation, pueblo, or colony,
- Former reservations in Oklahoma,
- Alaska Native regions established pursuant to the Alaska Native Claims Settlement Act (view maps: [2010 U.S. Census American Indians and Alaska Natives Map](#) – Alaska, [State of Alaska ANCSA Boundaries Map](#)),
- Indian allotments,
- Hawaiian Home Lands (view map: [2010 U.S. Census Hawaiian Homelands](#)), and
- Any land approved as Tribal for the purposes of the Lifeline program or the ACP by the [FCC's Office of Native Affairs and Policy](#) and Wireline Competition Bureau.

For additional file formats, visit Lifeline's [Tribal Lands](#) page.

Tips for Applicants

1. Remember to Email your **Tribal Qualification and Funding Request** to your **Guidance Counselor**.
2. **On the Paper Application**, check the 'Tribal Lands' box.
3. Prove your program Eligibility by having you School's Federal Program Administrator sign your ACP Request For Funding Opportunities or Request To Participate Form or BOTH.
4. We do understand that multiple households could reside at the same address. When that occurs all families residing at that location are **100%** qualified and eligible for our program
5. Having an official Address is **NOT** a requirement for participation in our ACP Program.
6. If you qualify for the ACP but your household is not on qualifying Tribal lands, you can still receive the non-Tribal discount of up to \$30 per month on internet service and the one-time \$100 device discount.
