I attend Oakleaf High School in Orange Park and I have a **3.5 GPA**. Oakleaf High School is just south and outside of in Jacksonville, Florida and is in Clay County. Coach, I expect to graduate with a **3.5 GPA**. Hey Coach, I know that I am just now reaching out, but I am very open to joining your team. I was identified as Academically Talented/Gifted, and thus later selected for acceptance into the **AICE Honors Program Classes**.

Coach, I helped lead my team to a **16-2 School Record** last soccer season as I scored **nineteen (19)** goals for Oakleaf High School and would have scored many more if I had taken the Penalty Kicks. I also scored **twenty-one (21)** goals the previous season and so yes, as I mentioned before, I scored **40 goals** for Oakleaf High School Varsity Soccer in over a span of just **two (2)** seasons. Coach, I was the **Clay County High Schools Consensus Back-To-Back Golden Boot Winner for 2021 and 2022** varsity seasons

My current Club Team is United Soccer Alliance, where train hard and play on the **United Soccer Alliance (USA) MLS Academy Team**. My Coach, Matt Hollyoak (Coach/Club Director), can be reached at Matt@UnitedSocceralliance.org or **(904) 278-1182**.

I'm looking forward to hearing from you. Go Nittany Lions!
Thank you for your time.
